Contractors Name Mailing Address including zip code Phone Number

8. Describe work to be done: _____

9. New Driveway ? D Yes D No If yes: Driveway is adjacent to (circle one) State / County / Township Road - Driveway permit applications are available from each of the government bodies. Request one from the governing body that "manages" the road. If it is State or County managed road a driveway permit confirmation from them must be attached to this application. If it is a Wilson Township Road please contact Zoning Administrator if one is not attached to this application.

10. New Sewage System? D Yes D Not Applicable If yes, a copy of your sewer permit must be attached. (These are issued by the Winona County Planning and Zoning Department. Call 457-6335 for details.)

Wilson Township requires an additional sewage site area complying with the regulations set fourth under the Winona County Zoning Ordinance -Chapter 7 with a soil treatment area equal to or greater than required in this ordinance chapter. This area must remain free of buildings, driveways, drainage ways, easements and any other unnatural coverings.

11. New Sewage System: Yes___, Not Applicabel___. If yes, a copy of your sewer permit must be attached

(These

Section 10, Subdivision 2, Subsection 2 of the Wilson Township Zoning Ordinance states in part: "Each applicant for a permit to construct or alter a building or use shall be accompanied by a plan drawn to scale showing the dimensions of the lot to be built upon and the size and location of the building or use and accessory buildings to be erected."

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be completed with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or Local law regulations of construction or the performance of construction.
